

Application to be filled out by the member of the Association only.

No guest watercraft may be registered or operated within Lake Wildwood Association.

Size Restrictions

Power/Deck Boat - 19ft. max

Pontoon Boat - 25ft. max

A member may only register one power-driven watercraft of each type per dues-paying lot.

To verify the size of the watercraft, please attach a copy of the manufacturer's specifications sheet with this application. Power/Deck and Pontoon watercrafts must not exceed the size limits listed above.

Insurance is required for boats with motors exceeding 10hp. Marine liability insurance must be in the member's name, clearly show the watercraft insured, and cover property damage and bodily injury; \$100,000 minimum.

Motorized watercraft units (and sailboats) require registration with the State.

Non-motorized watercraft units no longer require a water usage stamp but members are still required to obtain a Lake Wildwood Association decal yearly.

NEW WATERCRAFT REGISTRATION

Watercraft registration available only to members of Lake Wildwood Association.
