Of the 93 athletes this year, 33 had competed in previous years and this year we had 20 Lake Wildwood members participate! We also had 57 volunteers help out in every facet of the race to ensure that all of our athletes and guests had a safe and enjoyable experience. Special thanks to our GM, Shawn Dixon, as well as our Maintenance and Security teams who dedicated considerable time to set up the race venue and keep our athletes safe while competing.

Also, congratulations to the Querciagrossas (The Q Boys) for their amazing first place finish in the Relay division! AJ had the best swim time over the entire field with 11:38, beating last year's time by over 30 seconds!

It was also great to see so many Lake Wildwood members and friends cheer on the athletes along the course and at the finish line. Thank you for your ongoing support for this event and for promoting this wonderful community to our guests.
